302 pages, with hundreds of photographs, historical illustrations, and portraits. Hardbound with dust jacket, 27 x 22 cm. Quito, Imprenta Mariscal, privately printed by the author. 110 USD plus shipping at www.orchilibra.com.

"Dear Rudolf,

The masterpiece has arrived! Thank you. It is so wonderful to have so many bits of obscure information crystallized into one grand opus. I can only guess the number of days, weeks, months or years of your life you spent to create it. I have only begun to peruse it.

Thank you,

Carl"
